

HCS/203/2000

26th Feb. 2000

To

All Consultants, Main Contractors
and Electrical Contractors.
Dubai

Dear Customer,

**DEWA's Prescribed Application
for Drawings Approval (Consumer's Low Voltage Wiring Installation)**

The Authority is constantly endeavoring to improve its services to all Customers. We thank you for your valuable co-operation and co-ordination with us to enable us to provide you the best services.

In order to ensure that the shop drawings submitted by Electrical Contractors are routed through the Authorized Consultant and Main Contractor, of the respective project, the electrical contractor shall arrange to submit the attached prescribed Application Form, along with the shop drawings of the project.

Following are highlighted for your specific attention:-

- 1). *No covering letter is required along with the submission.*
- 2). *The concerned electrical contractor shall hold Trade License from Department of Economic Development to carry out electrical contracting works.*
- 3). *The Electrical Contractor & Consultant shall also have minimum one qualified Electrical Engineer to supervise the electrical installation works in compliance with DEWA's Regulations for Electrical Installations.*

Your co-operation is requested in ensuring compliance of the above, in your projects.

Thanking you in anticipation of your full co-operation.

Yours faithfully,
For DUBAI ELECTRICITY & WATER AUTHORITY

(Head of Consumer Services)

Encl.: As above.
