

HCS/700/2003

30.06.2003

To
All Consultant and Electrical Contractors
Dubai

Dear Customer,

Improvement of Services to Customers
Approval of Low Voltage Wiring Installation Drawings

The Authority is constantly endeavoring to improve its services to all Customers. We thank you for your valuable co-operation and co-ordination with us to provide you the best services within minimum time limit.

In order to simplify and standardize the type of drawings & schedules submitted to DEWA, your co-operation is requested in ensuring the following, while submitting the Drawings of LV Wiring installation for your project/s.

1. Submit all the layout drawings in "A1 Size" drawings for large projects and "A2 Size" drawings for small projects in continuous folded ('Z' type) with Title Block and details, etc, as per sample*.
2. Submit Total Connected Load/Max. Demand, Load Distribution Schedules in "A4 Size" papers in continuous folded ('Z' type) with relevant details as per sample*.
3. Ensure all drawings to be centered with minimum font size (12) as per sample*

* Sample are available in Application Registration Counter.

The original drawings will be reviewed by DEWA and returned with comments/approval. This drawing/s shall be produced during field inspection by DEWA engineers.

The above requirement shall be effective from 1st August 2003.

Thanking you in anticipation of your full-co-operation.

Yours faithfully,

For DUBAI ELECTRICITY & WATER AUTHORITY

(Head of Consumer Services)
