

AL BAHETH PROGRAM

What is the Al-Baheth Program?

The Al-Baheth Programme is DEWA's Research and Development Centre's engagement programme that includes the below categories:

1 INTERNSHIP

- The intern will be enrolled in one of the research areas (Solar, Water, Energy Efficiency, Smart Grid Integration, Fourth Industrial Revolution, Space, Energy System Analysis).
- The intern will have the option to spend a minimum of 2 months and a maximum of 4 months.
- Monthly stipend will be provided to the student.

Benefits of the internship program:

Working in DEWA, a leading sustainable world-class utility

The opportunity to apply acquired knowledge to real work experiences

Network with professionals in the field

The eligibility criteria is as follows:

Currently enrolled in a Bachelor's, Master's or PhD program in a technical or engineering field.

GPA above 3.5/4.0

Successful interview with the respective research group

The process of applying:

- Send your CV, transcript, and letter from the university to albaheth@dewa.gov.ae
- Profile evaluation & interview
- Signing the internship guidelines

2 CAPSTONE PROJECT

- Competitive funding program for selected undergraduate students.
- The scope of the capstone projects should be aligned with DEWA R&D Center research agenda.
- DEWA R&D Center will allocate a maximum budget of 20,000 AED per capstone project.
- The opportunity is open to all students from all nationalities; however, Emirati students are encouraged to participate in the Program.
- Proposals from the institutions with 1 semester-long capstone projects will not be accepted.
- DEWA R&D Center will only fund projects that run for 2 semesters.

The process of applying:

- Proposal submissions by faculty to albaheth@dewa.gov.ae
- Technical evaluation
- Signing the research agreement

3 VISITING SR. RESEARCHER

- Sr Researcher and Faculty members are welcome to spend 2 months and up to 1 year to conduct their research in DEWA R&D facility.

4 KNOWLEDGE DISSEMINATION

- DEWA R&D encourages faculty to conduct technical sessions on topics aligned with DEWA R&D research agenda.
- DEWA R&D is conducting seminars and workshops inviting High profile speakers. DEWA R&D is engaging with industry and academia through sponsoring conferences and symposiums.
