Dear Customer,

Enforcement of DEWA's Regulations  
for Electrical Installations at Consumer premises

As per DEWA Regulations, all electrical installation works shall be carried out under the supervision of qualified Electrical Engineers.

In order to verify the above requirement and also improve the quality of supervision at sites, you are requested to ensure that only qualified engineer/s, technical staff, at supervisor level or above, is deputed from your company to carryout inspection with DEWA engineer at sites and/or for technical discussion on drawing submissions.

Please also instruct your staff to produce their identity, if requested by DEWA Engineers.

Your co-operation in this regard will be appreciated.

Assuring you our best services.

Thanking you,

Yours faithfully,

For DUBAI ELECTRICITY & WATER AUTHORITY

(Head of Consumer Services)
